## JOIN US

**FOR THE UNVEILING  
of the replacement  
school design plan.**

Elk Island Public Schools (EIPS) is currently preparing the replacement school for École Élémentaire Ardrossan Elementary, which is slated to open January of 2017.

## PURPOSE

**LEARN** more about the school's replacement project including: the site plan, the design concept, and timelines.

**TALK** to representatives from EIPS, École Élémentaire Ardrossan Elementary, Group2 Architecture Interior Design Ltd., Strathcona County, and other community partners.

**ASK** questions.

The purpose of this session will be to share updates and the design plan for the replacement school. At the session, community members will have the opportunity to view the design concepts, ask questions, share comments, and visit with the architects and other design-team members.
