4. Chair report:  
Canadian Parents for French - Ardrossan Chapter is a part of the Canadian Parents for French (Alberta Chapter), which is part of the national Canadian Parents for French organization. Our mission is a network of volunteers which values French as an integral part of Canada and which is dedicated to the promotion and creation of French second language opportunities for young Canadians.

Through fund raising and grant opportunities, we are able to enhance learning opportunities for our French Immersion students. We also provide these opportunities to our non-French students to expose them to the French culture.

Besides supporting cultural opportunities for our students such as our annual Carnival celebration and French theatre and music group productions, we also provide a scholarship to a grade 12 French Immersion student, subsidize parental costs of a grade 4 day camp and subsidize substitute teacher expenses for the grade 9 Quebec trip.

Twenty-six (26) students going for one week.

Janice made a motion to subsidize for the substitute teacher in the amount of \$800; Jen seconded.

6. Administration Report, from Judy: Booked "Dufflebag Theatre" for the Spring for FI,  
and in April for English.

Corn Festival is usually the grade 5 and grade 1 FI. "l'épluchette de blé d'inde" is where the corn remains in the husk and there is one kernel dyed in each gender pile. The person

...3...

who picks the corn with the dyed kernel is the “king” or “queen” of the day and receives special privileges. This year all FI classes did this. Would like to make it an annual event, of course it needs the help of parents/volunteers.

Ryan Layton is a Second Language Consultant and previous FI teacher at Campbelltown. He is also Chair of ATA Tech Council. He is bilingual and has various roles including being on the Board for the new report cards. It has been at least two years without someone in the role of Second Language Consultant.

School Education Plan – since August there has been a three year plan underway generating ideas. In August we worked with staff to align goals with district with reps from grade 4, 5 and 6. Had parents give ideas at the last School Council meeting. Using this information to form a baseline document. Have sent the link home via newsletter and it is on the website, posted under visioning. Deadline for submissions is October 15.

7. Old Business:

- Carnival was successful, not as profitable as the record holding year before. Likely due to higher cost of products.
- Freezies have been purchased for year end bbq in 2016, \$47.25

8. New Business:

- Planning list for 2015/16 CPF Ardrossan activities is made and will be provided to new Chair.
- Jen will stay on as Past-President.
- JP (Chair for School Council) mentioned that he would be willing to serve on CPF Board once he pays his membership. JP would like to see the three Ardrossan parent groups work together even if it means doubling up on board members.
- Selina Verkland, grade 12, will receive the \$250.00 scholarship for 2014/15.
